**01/  
Overview**

**01.1/  
About**

Employees Health Scheme (EHS) is formulated to provide cashless treatment to the employees, pensioners of the State Government, and their dependent family members, with additional benefits such as post-operative care and treatment of chronic diseases, which do not require hospitalisation and treatment in empanelled Hospitals

**01.2/  
Type**

State Government  
Employee Scheme

**01.3/  
States Covered**

Andhra Pradesh

**02/  
Benefits**

- The employees, pensioners, and their dependent family members will be eligible for a sum of INR 2,00,000 per episode of illness with no limit on the number of episodes as existing in APIMA Rules, 1972. However, in the cases where the cost of treatment exceeds INR 2,00,000, cashless treatment will continue. No network hospital shall deny the treatment in such cases.
- The limit of INR 2,00,000 will not apply in cases where predetermined package rates are above INR 2,00,000.
- The Chief Executive Officer, Dr. YSR Arogyasri Health Care Trust, will settle the claims which exceed INR 2,00,000, following the standard claims settlement process after obtaining the approval of the Technical Committee constituted by the Government.

**03/  
Eligibility**

The scheme is intended to benefit serving and retired employees of the Andhra Pradesh State.

**04/  
Application Process**

- Eligible beneficiaries will be provided with Health Cards (also called Eligibility Cards). Applicants must directly check with their employer.
- The procedure of verification of eligibility of beneficiaries under the scheme shall be done through online authentication of the Health Card details. The beneficiary shall provide either the Card or the Card number in case the card is unavailable.
- The staff at the kiosk in the Network Hospital shall verify the details online by accessing the database. Once the authentication is complete, the eligibility verification ends.
- Download your Health Card by entering your User ID – <https://www.ehs.ap.gov.in/EHSAP/healthCardAction.do?actionFlag=healthCardView&theme=navyblue>
- Click 'Employees/Pensioners/DDO Login' under the EHS tab.  
5.50% of the total amount will be borne by the Government and 50% by the employee/pensioner.

- The monthly contribution will be INR 225 (for Slab A consisting of employees with Pay Grades from I to IV, and Slab B consisting of employees with Pay Grades from V to XVII) and INR 300 (for Slab C consisting of employees with Pay Grades from XVIII to XXXII). Beneficiaries may also avail services on the EHS app with the below link – [https://play.google.com/store/apps/details?id=com.sritindiapvtltd.ehs\\_app&hl=en&pli=1](https://play.google.com/store/apps/details?id=com.sritindiapvtltd.ehs_app&hl=en&pli=1)

#### **05/ Claims**

- A beneficiary suffering from an ailment can approach any of the “first point of contact” for registration under the scheme. The mode of Out-Patient (OP) capture is directly at the network hospital in case of emergencies or through referral.
- The beneficiary arrives at the network hospital kiosk either with a referral card or with a complaint for registration.
- Registration: NAM first mandatorily registers the patient. In case the patient is a child, the patient’s Identity and Complaint are registered. OP is registered and an OP ticket is issued.
- OP Consultation: The patient is forwarded to the OP and gets counselled to ascertain the eligibility under the Scheme. Investigations are prescribed if required.
- Investigations: He/She thereafter moves to the Investigation facilities if required, gets tested, and returns to the doctor. If he/she can be treated as an OP case, the prescription is given. The diagnosis and prescription are entered into the system by NAM and the case is disposed of.
- Uncovered OP Procedure: If the patient’s treatment warrants the use of any of the uncovered OP, the Medical Officer (MEDCO) enters the details in the system and refers the case to the Government Hospital.
- IP registration: If the patient’s treatment warrants the use of any of the Listed Therapies, the MEDCO enters the details of the Procedure and Investigations in the system, converts the case to IP, sent to the ward concerned (semi-private or private to the eligibility) and raises pre-authorization.
- Evaluation, admission, final diagnosis, and categorization will be done based on the severity of the illness.
- MEDCO shall upload all the relevant documents and send the case for pre-authorization.
- The network hospital shall render complete treatment to the patient after obtaining pre-authorization. Any complications arising during hospitalisation shall also be attended to.
- The patient is discharged after complete recovery. The network hospital shall issue a discharge summary, 10 days post-discharge medication, and counsel the patient for follow-up. A letter of satisfactory services shall be obtained from the beneficiary at the time of discharge.
- The patient shall be provided follow-up services as per the standard medical norms duly counselling and recording the same in the discharge summary.
